PUBLIC HEARING

concerning

Notice of Application for Modification of Waste Discharge Requirements
(National Pollution Discharge Elimination System Permit
for

**AEROJET-GENERAL CORPORATION
SACRAMENTO COUNTY**

Aerojet-General Corporation currently discharges treated groundwater from its Groundwater Extraction and Treatment (GET) Systems to Buffalo Creek, Morrison Creek and the American River in the City of Rancho Cordova. Business activities at the Aerojet facility include development of rocket propulsion systems, engineering, manufacturing and testing, and custom and specialty chemical and pharmaceutical manufacturing and related activities. The California Regional Water Quality Control Board, Central Valley Region (Central Valley Water Board) will consider modification of Aerojet's permit for the GET discharges, including the addition of three new discharges from treatment systems on Golden State Water Company wells in Rancho Cordova, renaming three of the GET systems, moving the discharge from the GET L-A facility on the American River approximately 1,900 feet downstream and moving the discharge from the GET K-A facility from Outfall 003 to 004 in response to a request from the City of Rancho Cordova.

An **informal** public hearing concerning this matter will be held during the Central Valley Water Board meeting which is scheduled for:

DATE: 17/18 March 2010
TIME: 8:30 a.m.
PLACE: Central Valley Water Board
11020 Sun Center Drive, Suite 200
Rancho Cordova, California

Persons wishing to comment on this noticed informal hearing item must submit evidence, if any, or comments in writing to the Regional Board no later than **16 February 2010**. Written evidence or comments submitted after **16 February 2010** will not be accepted and will not be incorporated into the administrative record if doing so would prejudice any party.

All interested persons may speak at the Board meeting, and are expected to orally summarize their written submittals. Oral testimony will be limited in time by the Board Chair.

An objection by a party, either in writing or at the time of the hearing, to the decision to hold an **informal** hearing shall be resolved by the Board Chair before going ahead under the informal procedure. Failure to make a timely objection to the use of informal hearing procedures before those procedures are used will constitute consent to an informal hearing.

Anyone having questions on proposed waste discharge requirements should contact Alexander MacDonald at (916) 464-4625.
